Dear Mr Loescher,

Thank you for your letter of 25 January 2016 and the interest in the work of the ILO Administrative Tribunal.

The International Labour Organization is mindful of the need to take into account the viewpoints and concerns of all stakeholders of the Tribunal in considering possible improvements to its functioning and is therefore thankful for the proposal you have submitted in your capacity as the President of a Federation of workers' unions including staff associations from organizations under the Tribunal's jurisdiction.

Please be assured that your proposal regarding the amendment of Article XII of the Tribunal's Statute will be given due consideration in this process.

Yours sincerely,
