

TRAINING COURSES WEBINARS:

Each of the following sessions will include methodology, testing and explanations for each correct answer. You will be able to ask questions in a chat box and the teacher will answer them interactively. The day before the start of the webinar, you will receive training material which we suggest you **print out** in case you would wish to read them again after the deadline for access to them.

- 1- General presentation of the Multiple Choice Questions-tests & verbal reasoning,
- 2- Numerical reasoning,
- 3- Abstract reasoning.

The DEADLINE for registration for the Webinar (in ENGLISH only) is: Friday, 04 January at NOON (local time Brussels time)!!!

The price? FREE for our members

Please, note that the course is for members of Union Syndicale, their family members, and colleagues who want to join Union Syndicale at this occasion.

The planned time does not suit to you?

In case that you cannot assist, you will receive on the day after the webinar, a link and a password that will allow you to follow the recorded sessions of the previous day. The access to the online course as well as to the training material is limited **until Saturday evening, 2 February at 23h59 (Brussels time)**. We suggest you to print out the training materials in case you would like to vision them again after the deadline access to the recordings.

For more information or to register, please send an email to: formations@unionsyndicale.eu

PS: The training will take place subject to a sufficient number of participants.
