Dear Members,

The Executive Committee has the honour to announce the convening of the General Meeting of Union Syndicale, which will be held on **26 November at 6.00 p.m.** by hybrid meeting and videoconference and will be devoted to the presentation of the activity of the past year, the report of the Audit Board and political discussions regarding the future of our work and of our actions as a trade union in link with the preparation of the Federal Congress of April 2027. Amendments to the Rules will be discussed. Recall that the General Meeting must consider any proposal submitted by individual members (at least 35), in accordance with the conditions set out in Article IX, paragraphs 5 to 7 of the **Rules**. I draw your attention to the importance of respecting the deadlines.

We will upload all the related documents to **the General Meeting webpage here**. We are updating the page regularly.

If you intend to **participate** either **online** or **on-site**, please register at least 24 h in advance. This allows us to secure your seat on-site (subject to availability) or send you your personal connection codes on time.

Yours sincerely,

Niels BRACKE
President
