Subject: Withdrawal of the USB Statute Amendment Proposals and Consequences for the General Meeting Agenda

Dear members,
I would like to formally inform you of recent developments concerning the proposals to amend the Rules of Union Syndicale Bruxelles, which were included on the agenda of the General Meeting scheduled for 26 November 2026.

The Executive Committee of the Commission Section confirmed the withdrawal of the Rules amendment proposal submitted by that section. Sophie Hottat, Deputy Secretary-General, formally communicated this decision to the President of USB on 16 November 2026.

Subsequently, the Council Section, meeting in its plenary committee of section, unanimously decided to withdraw its own proposal for amendments to the Rules. This decision was formally notified to the President of USB by Agnès Lahaye, Treasurer of USB and member of the Council Section, on 18 November 2026.

As both sections that had submitted proposals have now officially withdrawn them, the agenda item concerning amendments to the USB Rules is no longer relevant and will therefore not be considered by the General Meeting of 26 November 2026.
Consequently, this item will be removed from the agenda of the General Meeting, and all related draft Rules amendment documents will be withdrawn from the meeting documentation available to members on the USB website.

I would like to thank all members who contributed to the discussions and reflections on this matter. The Executive Committee remains committed to ensuring that any future consideration of reform of our internal rules is conducted in a spirit of dialogue, transparency, and broad consensus within our organisation.

Yours sincerely,

Niels Bracke
President
